

We are Kirby and Sandy White from Chapter S in Ohio. GWRRA has been a part of our family for over 25 years and we are proud to be able to represent GWRRA and Region D as your International Couple of the Year.

We have been married for 37 years and have 2 girls and 1 boy, 11 grandchildren, and soon to be first time great grandparents. Kirby is retired and we try to travel as much as possible. Kirby is a recycled Chapter Director and Sandy is the MEC person for the chapter. Our ride is a 2005 White 1800 with a matching Buchtec trailer.

Our goal is to meet as many new friends as we can, have as much fun as possible, and spread the word about GWRRA.

Ride Safe and

May You Always Have Golden Memories
