Officers of GWRRA of Michigan,

There has been a change in the leadership of Michigan. Brad and Connie Garner are no longer the Michigan District Directors. We appreciate their dedicated service to the Michigan District and GWRRA.

The GWRRA Home Office has authorized the forming of a Transition Team. Consisting of Michigan Members, it is designed to bridge the gap to the future Michigan Leadership. This Team is temporary and transitional in nature. It has been given full responsibility by the Home Office, to interview candidates for the District Director position, while maintaining the daily operations of the District. The Team will conduct a thorough selection process concluded by the appointment of the next District Director to move Michigan forward. At the completion of this task, this Team will be dissolved.

The transition team has over 70 years of leadership service in GWRRA, and because we are Michiganders, we have a vested interest in the success of Michigan. With the focus on the Membership of this great District, we will diligently work to reestablish Michigan's premiere status as one of the leaders in GWRRA and have Region D whole again.

The Team Members and contact information is as follows...

Larry Terryn, Home: (586) 786-6807, Cell: (248) 310-3402, larryterryn@comcast.net

Bob Lorenz, Home: (517) 548-9028, blorenz@ameritech.net

Mike Stiger, Home: (517) 769-4824, Cell: (517) 420-4535, wstiger@dmci.net

While this team is in place, Larry Terryn will serve as interim acting District Director. For those Michigan Members who do not know Larry, the following is a brief bio...

- GWRRA Life Member since 1983
- Michigan District Director from 1987 till 1991
- Served as the 1st National Membership Enhancement Director through most of the 90's.

We are honored to have the opportunity to serve the Michigan District. We will work closely with the District Staff, along with all of the Officers and Members of Michigan to bring this to a successful resolution. We will send out communications to all District Officers as developments occur.

Sincerely,

The Michigan Transition Team
