

**GOLD WING ROAD RIDERS ASSOCIATION
MICHIGAN DISTRICT TRAVELING PLAQUE**

Ron & Valerie Jones

586-381-3515

vlj@comcast.net

Is everybody ready to play "TAG"?? Here are just a few simple rules to make this as much fun as we can and get as many Chapters involved as possible.

1. There must be at least four [4] Chapter participants (non- District, Region, or national Staff members) present to be eligible to receive the Traveling Plaque. You must have traveled at least 50 miles one way. If the Plaque has not been captured after 60 days the 50 miles is dropped until it is captured again, in which time the 50 miles is reinstated.
2. If more than one Chapter is present to claim the Plaque, then the Chapter that has traveled the farthest, from meeting location to **PLACE OF EVENT**, will take the Plaque home.
3. As soon as the Plaque has been captured, the gaining Chapter Director, or their designee, will contact Valerie & Ron Jones. When you call, state where the Plaque is, the Chapter that has the Plaque, meeting details, name and phone number for their information. Valerie & Ron Jones can be reached at 586-381-3515 or at vlj@comcast.net
4. Once a Chapter has captured the Plaque: that Chapter must allow at least two other Chapters to capture the Plaque before they once again claim possession.
5. It is the responsibility of the Chapter Director, or his designated representative, to ensure that the Traveling Plaque is at every Chapter Meeting and scheduled Chapter event, (not included, ice cream rides, dinner rides and general rides) as long as it is in their possession.
6. The Chapter Director will ensure that one of accompanying plates will be completed showing Chapter, date captured, and miles traveled. If you use the last plate in the package, you'll be responsible to supply one identical blank plate {3/4"x 2 3/4"} for the next Chapter.
7. When the last plate is in place on the Plaque, the Chapter with the most plates will keep the Plaque and create a new Traveling Plaque.
8. Each Chapter may wish to sew their Chapter patch on the bag after they have captured the Plaque.

Note: Chapter "A", the Pioneer Chapter, gave birth to the G.W.R.R.A.
Michigan Traveling Plaque in 1996. The intent of the Plaque is to
encourage Chapter Visits and Friendship

Note: Chapter K2, the Kountry Wings, gave birth to the 2004 Plaque.
Be Safe and Have Fun!!!
