Letter from Chapter Director

Note from Chapter Director

Well can you believe it is MAY, and the weather has been kinda good to us, our first ride last weekend was supposed to go to Frankenth, but of course it DECIDED to RAIN. I hope that mother nature hears my plea and changes the wet days to the weekdays, not the weekends. Now that my bike is running I want to ride it.

The ride schedule is done, and I hope everyone has it handy when you are planning what should you each weekend. It is a very full schedule, with different rides, to bring some variety into our schedule. Don't forget to make your reservations for the hotels ride to Cooper Harbor and Shipsawana.

The Skills day has been cancelled, and the word passed around. I know it was a hard decision for us to make, but it was the best decision.

There are many things coming up for other chapters, in the next couple of months lets see if we can make any of them .

Congrats to Larry for getting his new motorcycle. Hope you enjoy it, and you get the chance to ride it a lot.

Hope to see everyone soon

Cathie

# Chapter P Rider Education

Dear Michigan Motorcyclist friends;

Don't forget that May is Motorcycle Awareness Month in Michigan. To kick off the event, Michigan Secretary of State will be holding a press conference in Lansing on May 3, 2010 starting at 10:30 A.M. in the plaza behind the State Capitol between the Richard H. Austin building and the Murray Van Wagoner Transportation building. You can enter the site from Allegan Street near the corner of Walnut and proceed up the pedestrian ramp into the plaza area.

If you are attending, please try to arrive at least 30 minutes early. If you would like to ride in as part of a group to be guided into an unfamiliar area, I will be waiting at the Union Missionary Baptist Church on St. Joseph Street between MLK northbound and MLK southbound (please enter the church parking lot from St. Joseph street) at 9:30 and at about 9:45 we will depart for the 5 minute ride to the press conference site.

As part of the ongoing efforts to make the streets and highways safer, consider writing a Letter to the Editor of your local paper or possibly a point of view. The awareness month website is [www.michigan-motorcycle-awareness.org](http://www.michigan-motorcycle-awareness.org) and it contains several tips and examples for helping to promote this important traffic safety campaign.

Answer: the best way to determine which style and power the FIRST motorcycle should be depends on how well of a rider you are, what you feel you can handle best.

Question: Why do not more families join GWRRA, families with young people to hang with.

Answer: could not answer, because each family has different circumstances
